Mar 2014

Minneapolis Business College | Roseville, MN  
**AAS GRAPHIC DESIGN**  
Dec 2008

## Experience

---

Deloitte Digital, Jun 2014 to Present

### FRONT END ENGINEER

Collaborate within a team to develop responsive web-sites & apps. Bring design concepts to life with front-end technologies (HTML, CSS, JS) with Jade, Sass, Less, jQuery, NodeJS, TeslaJS, and AngularJS.

Design Commission, Oct 2013 to Mar 2014

### INTERN & PRODUCT DESIGNER

Create and design infographics, brand guides, web assets & Starbucks promotional material. Assist developers with front-end development using HTML, CSS, Sass & SLIM.

Midwest Energy Association  
May 2010 to Oct 2012

### COURSE AUTHOR & DESIGNER

Organized training information for technical online courses. Created vector illustrations & flash animations to demonstrate concepts.

Freelance, Jan 2009 to Present

### GRAPHIC & WEB DESIGNER

Designed & coded responsive small business websites. Designed logos, business cards, posters, resumes & Facebook banners. Created vector illustrations & photo manipulations.
